	DENIAL OF STATE ENGINEER deny
follo	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the owing limitations and conditions:
	is application is hereby denied on the grounds that granting this appropriation
	water for irrigation purposes would deplete the recharge of underground waters
	the concentrated area of Dixie Valley and tend to impair the value of existing
ri	ghts and be otherwise detrimental to the public welfare.
The	amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not i	to exceedcubic feet per second
Actu	al construction work shall begin on or before
Proc	of of commencement of work shall be filed before.
Wor	k must be prosecuted with reasonable diligence and be completed on or before
Proc	of of completion of work shall be filed before
App	lication of water to beneficial use shall be made on or before
Proc	of of the application of water to beneficial use shall be filed on or before
Map	in support of proof of beneficial use shall be filed on or before
_	mencement of work filed
